| PRODUCT CATALOGUE 2026 |

| INTRODUCTION |

Telly Safety Solutions Pvt. Ltd. is The Safety Intelligence Company, delivering innovative, technology-driven solutions that transform the way organizations approach workplace safety. Since 2007, we have empowered industries with intelligent safety systems, immersive training solutions, digital learning platforms, visual communication, and advanced industrial safety products that strengthen safety culture, enhance compliance, and improve operational performance.

Our company is led by Mr. Rajnikant Teli, a Gold Medalist in Safety, MBA in Fire & Safety, and Advanced Diploma in Industrial Safety (ADIS) professional with over 37 years of industry experience. His pioneering contribution to industrial safety earned him the prestigious OSH India 2015 Award as the "Most Innovative & Creative Safety Consultant in India" for conceptualizing and implementing Hands-on Safety Training Centres and Dojo Learning Facilities.

Driven by innovation, expertise, and customer success, we continue to develop intelligent safety solutions that help organizations create safer, smarter, and more sustainable workplaces.
